

Forecast For Wales
Issued by Met Office Exeter
at 0400 on Saturday 05 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells during the day, rain arriving later.

Today:
A mostly fine day with sunny spells. It will gradually turn cloudier from the west with a few showers possible, mainly in the afternoon. Feeling pleasant in the sunshine. Maximum temperature 22 deg C (72 deg F).

Tonight:
Largely dry in the north this evening, but cloudier in the south with outbreaks of rain. Overnight, this band of rain, heavy at times, will move northeastwards affecting most areas. Minimum temperature 7 deg C (45 deg F).

Sunday:
After a largely dry start, it will be a mixture of sunny spells and scattered showers. Showers could be heavy at times. Feeling pleasant under the sunshine. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
A mixture of sunny spells and scattered showers on Monday. Drier on Tuesday with plenty of sunshine. Risk of further outbreaks of rain on Wednesday. Feeling warm.
